Automobile Repairs

Don't let a junk man work on your car-not if you value the life and going-power of its mechanism. Modern automobiles are built to withstand service, not blunders. Their engines are adjusted with minute precision and demand expert attention.

We Have the Men and the Proper Tools

Repair work is our specialty. We have a shop that contains facilities for welding, turning and cleaning. It is not equalled by any machine shop in Corpus Christi. Our prices are based on experience and the desire to do good work. If it is Noakes-done, it is

Cotton Seed

We still have about 5,000 bushels of selected Mebane cotton seed packed in 2-bushel sacks, which we are selling at \$1.15 the bushel (the market price of this seed today is about double the price we are quoting). We urge farmers desiring seed to apply quickly, as we are having a heavy demand.
